Design applications of multiple solutions

**Candia Slabs**, which are emblematic of 'Made in Italy', provide high quality porcelain stoneware in large format. Cutting-edge technology and large variety of aesthetic designs allow to satisfy every intended uses as furniture branch, floor and wall coverings and the ventilated facades.

Ceramics of Italy

Crafted from high-quality of **Candia Slabs**, these sleek surfaces bring a touch of refined elegance while offering exceptional durability. Beyond their stunning aesthetics, the countertops are incredibly easy to maintain, featuring seamless surfaces that resist stains, scratches, and heat. Their non-porous nature makes them highly hygienic and effortless to clean, requiring just a simple wipe to maintain their pristine look. Whether enhancing a minimalist kitchen or complementing a bold, modern aesthetic, slab countertops provide a timeless foundation for everyday living. Their versatility allows for customized designs, transforming kitchens into stylish yet functional spaces.

The interplay of textures and subtle veining creates a harmonious balance, elevating both countertops and décor elements. With their timeless appeal and architectural versatility, these slabs seamlessly blend into modern and classic interiors alike. Whether enhancing private sanctuaries or public spaces, they become the foundation of refined aesthetics, shaping surfaces with depth, warmth, and enduring style.

**Kitchen Island Base and Backsplash Marble Look PUNTA LA MARMORA**

**Kitchen Cabinetry and Island** Marble Look SAN CANDIDO

A luxurious modern kitchen where marble slabs take center stage, defining the space with elegance and sophistication. The kitchen cabinetry and island are clad in a striking green marble with bold veining, creating a seamless and visually stunning design. The waterfall island, featuring the same rich marble, serves as a statement piece while offering both functionality and aesthetic appeal.

**Kitchen Cabinetry and Island Marble Look CRODA DELLE CORNACCHIE**

**Candia Slabs** redefine modern surfaces with unparalleled durability and sophistication. Designed for both aesthetics and functionality, they are highly resistant to wear, easy to install and effortless to maintain. Their ultra-resistant surface withstands stains, acids, and mold, ensuring long-lasting beauty in any space. Fireproof and non-porous, these slabs provide maximum hygiene, making them the ideal choice for kitchens, bathrooms, and high-traffic areas. With Candia slabs, you get a perfect fusion of elegance, strength, and reliability.

**Candia Slabs** play a crucial role in a sophisticated retail boutique with a contemporary and minimalist design. The space is defined by the use of Candia Slabs on the wall and display platforms, creating a seamless and refined aesthetic. The neutral tones of the slabs complement the dark textured walls, which add depth and contrast to the setting.

The floating concrete display blocks provide a sleek and modern presentation for luxury footwear and handbags, enhancing the exclusivity of the merchandise. The integration of soft lighting, vertical illuminated wall panels, and suspended greenery adds a touch of warmth and nature, balancing the space's industrial-chic ambiance.

**Wall** Concrete Look CIMA LIBERA

**Kitchen Benchtop and Island Marble Look LA SENGLA**

The kitchen island and benchtop showcase its soft white background adorned with delicate veining, delivering a perfect blend of refinement and durability. With its sleek finish and exceptional resistance to wear, this slab is ideal for both modern and classic interiors.

The kitchen island, countertop flow effortlessly into the wall, creating a seamless and sophisticated design. The extension continues from the countertop to the wall, enhancing the sense of continuity and luxury. Featuring a subtle yet striking veining pattern, CORVARA delivers a timeless appeal while offering exceptional resistance to daily wear.

**Kitchen Island Base and Wall Marble Look CORVARA**

**Kitchen Cabinet and Wall Marble Look PUNTA D'ARBOLA**

The bookmatch design creates a mirrored, flowing pattern, resembling the open pages of a book. This design is especially popular for large surfaces like walls because it gives a dynamic, seamless flow to the space.

When used from kitchen cabinets to wall covering, it can create a sophisticated and cohesive look. The richness of the veining and color contrast, along with the smooth texture, adds elegance and luxury to any space. This type of design can tie the kitchen and the surrounding areas together, creating a continuous flow between the cabinetry and walls. The effect is visually striking and often feels like a piece of art in itself.

**Table, Cabinet and Wall Marble Look FUMO DI PREDO**

**Kitchen Island and Cabinet Marble Look CATINACCIO D'ANTERMOIA**

Using a black marble look slab for a kitchen is a bold, luxurious, and timeless design choice. Black marble, with its sleek and sophisticated appearance, can elevate the overall aesthetic of a kitchen while maintaining functionality.

A black marble island can be the centerpiece of the kitchen. The natural veining patterns can add depth and beauty to the space.

**Countertop** Marble Look MONTE CIVETTA

# Versatility in Design

A black marble-look slab is incredibly versatile and can be paired with various cabinetry styles

**Bar and Wall** Marble Look MONTE ARCUENTU

**Wall and Carbinet** Marble Look CRISTALLINO D'AMPEZZO

Using bookmatch patterns for black marble slabs, where the veining is mirrored, can make a dramatic statement on larger surfaces such as wall. This design can add an artistic and almost symmetrical quality to your living room, making it feel both stylish and unique.

**Kitchen Island, Countertop and, Hood** Marble Look DENT D'HÉRENS

Experience the striking beauty of DENT D'HÉRENS slabs, where deep brown tones meet dramatic veining for a luxurious and sophisticated finish. This exquisite surface is used throughout the design, covering the kitchen island, benchtop, and extended countertop, seamlessly flowing onto the wall and the range hood for a cohesive and high-end aesthetic.

Bring timeless sophistication to your kitchen with CIMA DI VALMALA slabs. Featuring a pristine white base adorned with bold green veining, this exquisite marble-inspired surface creates a statement of luxury and refinement. Applied seamlessly across the kitchen island, benchtop, and extended countertop, CIMA DI VALMALA enhances the space with its unique contrast and natural beauty. Its sleek integration ensures a harmonious flow, making it an ideal choice for contemporary and classic interiors alike. Experience elegance and durability with CIMA DI VALMALA, where nature's artistry meets everyday functionality.
